

The Bridlington Lions Club have run a Carnival on the cliff top between Sewerby and Bridlington for over 30 years.

We would like to take the opportunity to invite you to our annual event on Sunday 5th August 2018 to display your vehicle.

The location of this event is probably one of the best available.

It is an event that attracts up to 20,000 people making it one of the largest one day free events on the East Coast.

As in previous years we have a licensed bar, live music on stage, children's rides and entertainers, a large car boot sale which starts at 7am. We have something for everyone.

The carnival opens at 10:30am and closes around 4:30pm

Any money raised from the event is used to assist people who are in need of a charitable donation.
