August 2017

Bridlington Lion's Gala and Classic Car Show Sunday 5th August 2018

We would like to ask you to make a note of the above event and date in your diary. If you have attended our Carnival in previous years you will know that this is an extremely successful event with approximately 20,000 people attending last year's Carnival. This is held on the Cliff Tops between the Coastguard Station at Limekiln Lane and Sewerby. The move to the other side of the Land Train Track has given us much more room for even more stalls and events.

This year we continue to see the classic car show grow. A number of Yorkshire classic and vintage car clubs have shown a lot of interest in this.

The Car Boot will be there as usual and this attracts around 150 cars and is very popular with the crowds who attend this event annually. All day parking is available at a very reasonable charge.

Back in August 2017 we started notifying organisations including Visit Yorkshire, Visit Hull and East Riding about the event. Magazines were contacted including local publications and classic car magazines.

The Carnival runs from 10.30 a.m. to approximately 5.30 p.m. (weather permitting) and the Car Boot Sale from 7.00 a.m. to the end of the Carnival.

Pitches will be allocated on a first received basis.

If you know of any other group/organisation or person who would like to attend the Carnival please pass their details to myself so that we can contact them.

We look forward to hearing from you and if you should require any further information please do not hesitate to contact me.

Looking forward to another successful Carnival.

Yours sincerely,

Ray Pollard
Lions Carnival Chairman
